

# Social Media

By Paula Ribeiro and Cláudia Silva

<b>Topic:</b>	Visiting Portugal
<b>Age:</b>	10 - 12
<b>Time:</b>	45 - 50min
<b>Competences:</b>	To use social media in the classroom, as a tool to do school work, specially group work. Being creative in different school tasks.
<b>Aim of this lesson:</b>	Cultural information about Portugal. Learn to use an App for a „learning“ game. Also students learn to create a new game on any subjects they might be studying.
<b>Introduction:</b>	
<b>Tools:</b>	Internet / smartphones / english school book
<b>Process</b>	
	<b>Step 1</b> 8min
	Introducing this social media App. Teacher explains to students that <i>Quizup</i> is a social media App. It functions as a mobile game, similar to trivial Pursuit. It can be played as a multi-player game in which one student will compete against another during several rounds of timed multiple-choice questions. In this case it will be about getting to know Portugal.
<b>Teachers notes (if needed)</b>	
	<b>Step 2</b> 5min
	Students download the App on their smartphone. They have the option of signing into the App through a social media platform such as <a href="#">Facebook</a> , <a href="#">Twitter</a> , or <a href="#">Google+</a>
<b>Teachers notes (if needed)</b>	
	<b>Step 3</b> 2min
	Students can have easy access to the game by using the given link.
<b>Teachers notes (if needed)</b>	The game/lesson was previously prepared by the teacher. Link is projected on the white board or written on the board.
	<b>Step 4</b> 15min
	Students play a match. Each match consists of six rounds and one bonus round that concludes the game. The same question is given to each player with ten seconds to choose an answer out of the four responses provided.
<b>Teachers notes (if needed)</b>	Students are awarded for the accuracy and speed of their answer.
	<b>Step 5</b> 10min
	After the match, students together with the teacher review the contents. They compare results and the winner is announced.
<b>Teachers notes (if needed)</b>	
	<b>Step 6</b> 10min
	After the match, students can build their own quiz (fruit vocabulary). Teacher explains how it can be done with a given example (What is this? – It's a pineapple).
<b>Teachers notes (if needed)</b>	Students are encouraged to work step by step, using the vocabulary in their english school book. They should challenge their classmates to participate in their game/lesson.
